

Icebreaker: Passions Tic Tac Toe

Instructions:

On your 3 x 3 game card, write down nine things you are passionate about. The passions can include anything from food, musical artists, hobbies, habits, values, interests to school subjects.

Next, walk around the room and compare notes to others. When you find the same passion listed on two game cards, sign for each other in the appropriate box. The winner is the participant who manages to have other people's signatures on three lines: vertical, horizontal and diagonal.
