

# CHAMPION PROVIDER FELLOWSHIP

A Powerful Approach to Healthier Communities

4. Identify possible policy, system, and environmental change interventions to address the problem, and consider how each one can help you achieve your goal(s). You may not need to fill out the entire table.

	<i>Intervention</i>	<i>How would intervention help achieve your goal(s)?</i>
<i>Policy change</i>		
<i>System change</i>		
<i>Environmental change</i>		

5. Of the policy, system, and environmental change interventions you identified above, which one will you be working on? Why?

6. What role do you see yourself taking to move this work forward? Why?
