

Development Planning Worksheet

NAME: _____

This development planning worksheet is intended to help guide incoming Fellows in brainstorming a future PSE intervention or for graduating Fellows, to help guide thinking about the sustainability of a PSE intervention.

Brief project description/overview: (1 - 2 sentences): _____

PART I: OPPORTUNITY

Question: *Describe (1) opportunity to initiate your PSE intervention and/or build sustainability in your work.*

PART II: CHALLENGE

Question: *Describe (1) challenge in initiating your PSE intervention and/or building sustainability in your work.*

PART III: FUTURE

A. Develop (1) proposal for a partnership with community organizations, policymakers, or other key stakeholders to promote your PSE intervention. (Describe how you will know when you have met the milestones to achieve the proposed partnership)

B. Propose (1) strategy for disseminating your current PSE work. (Consider strategies for social media and local media outlets. Describe the specific mechanisms to achieve the strategy and the anticipated outcome.)
