# How do I set a virtual background on Zoom

1.  Sign into your Zoom account as [zoom.us](zoom.us)**.**
2.  Click your profile **picture,** then click **Settings**.

3.  Select **Virtual Background.**

4.  Check **I have a green screen** if you have a physical green screen set up. You can then click on your **video** to select the desired color for the green screen.

5. Click on an **image** to select the desired virtual background, or add your own **image** by clicking **+** and choosing if you want to upload an **image** or a **video.**
6. If prompted, click **Download** to download the package for virtual background without a green screen.
